

# BEST COLLECTION

## MULTI BALLPOINT PEN

\$ 50

Tamamushi lacquer, enhanced by subtle silver gradation and elegant gold-toned accents, creates a refined, luxurious finish—showcasing the artistry of Japanese craftsmanship.

## ROUND ACCESSORY CASE

\$ 25

Featuring a rich, lustrous finish and a smooth, hand-friendly texture, this elegant case is lined with soft velveteen to protect your treasured items.

## BOX

\$ 55

A refined storage box, perfect for postcards or small treasures, showcasing the deep black luster of Tamamushi lacquer. The elegant maki-e design of the legendary samurai lord Date Masamune highlights the timeless beauty of Japanese craftsmanship, making it an exceptional gift or collectible piece.

## PEN-BOX

\$ 25

Adorned with a traditional maki-e design of the famed samurai lord Date Masamune, this versatile case can be used not only for stationery but also as an accessory holder, seal case, or pill box.

## POSTCARD

\$7

Each card is hand-finished by skilled artisans with Tamamushi lacquer and features charming maki-e designs created by popular Japanese picture book author Kyoko Hidaka. Custom designs can also be produced, making it a unique and memorable gift item.

## BOOKMARK

\$8

Inspired by Japan's four seasons and traditional patterns, this tanzaku-style bookmark captures the timeless beauty of Japanese artistry. The signature golden shimmer of Tamamushi lacquer adds a luxurious touch, making it an elegant and refined gift.
